

Dd

“....sensitivity to trifles, minutiae, the irrelevant, and the far-fetched.”

“....in a positive sense the Dd represents a keen sense of observation.”

“....a nagger with his many Dd responses is a person disappointed with his environment.”

“He is unhappy; otherwise he would not offend you.”

“....conceptual vision is restricted to a narrow horizon.”

(Bohm 1958, p. 45)

“They are the people who in order to feel important must be big frogs in small ponds
