

DETERMINATION

Synonyms: perseverance, persistence, tenacity

His strength of purpose prods him to stay with a project until it is completed.

Keeping his nose to the grindstone, he refuses to be put off by difficulties or distracted by what is going on around him.

Holding firmly to his purposes and goals, he does not let up until he has completed what he set out to do.

Her strong determination supplies the drive and desire to finish what she starts.

Your steadfast determination to carry out your objectives keeps you pressing on for a successful resolution, refusing to admit defeat until there is no other choice.

She has good determination and will continue for a long time with projects that she undertakes; however, difficulty in dealing with stress may reduce the intensity of her resolve.

Strongly motivated to succeed, she has a profound sense of purpose and determination, as well as self-confidence.

She is a competent person of disciplined and purposeful nature; although she experiences significant personal problems, these do not impinge on business or social functions.

Once he knows what he wants he is unstoppable.

Standing firm for what you believe in, once you have made up your mind to take a certain direction, there is no changing it. You prefer to stay with what you know and although you are interested in hearing new ideas, are unlikely to change the basic principles that have been with you your whole life.

Your great sense of determination and endurance allow you to continue your efforts over a long period of time.
