

EB Introversive Type

$\Sigma M : \Sigma C \geq 2x$ greater than ΣC and $EA \leq 10$

Or

$\Sigma M : \Sigma C$ where $\Sigma M \geq \Sigma C$ and $EA \geq 11$

....problem solving proceeds with emotions being kept at bay.

....reliance is made upon internal evaluations and checking on the results of cognitive operations.

...do not like to see or make errors.

....are cautious and deliberate.

(Exner 1991, p. 192)
