PER

≥ 1

....involves a sense of omnipotence...

(Gacono 1994, p. 326)

....grandiosity....

....sensitivity to criticism....

....thinks that the events they experience reflect directly upon them.

....blames others for causing them to act in the ways they do.

(Meloy 1997, pp. 149, 426, and 431 respectively)

....is self-righteous. Acts as an authority in order to keep from feeling insecure, scared, and helpless.

(Mihura 2002, p. 3)
