

SENSUAL**Synonyms: hedonistic, voluptuous**

You crave the pleasure of the finer things in life.

Sharing fine food with loved ones, listening to music, having lovely things, and enjoying the beauty of nature all stimulate your sensual and earthy spirit.

You like to use your senses to the fullest and your eye for beauty helps you fashion your home and wardrobe attractively.

Taking a walk along the beach at sunset, savoring the heady aroma of a luscious strawberry, delighting in the natural beauty of a rose in full bloom--these are the types of experiences that stagger your senses and leave you feeling drunk.

Physically oriented, it is as if he soaks up natural beauty through his skin.

Delicate textures, soft to the touch, and pale colors attract her.
