

Space

≥ 4

Anger, hostility, oppositionalism, and negativism may be encountered.

"The finding from the new sample suggests that postulate should be considered applicable only when the value of S is four rather than three, or if the presence of three S answers does not include the common animal face or mask answers to Card I and the rocket or spaceship response to Card II." (p.475)

(Exner 2005, p. 475)
