

## SUPERFICIAL

Synonyms: frivolous, flighty, glib, shallow

Scanning the environment, she seems to skim the surface, touching lightly on every aspect, but never becoming too deeply involved with anything.

Because she likes to stay busy, she doesn't want to take the time to do extensive research, but is content with surface information, picking out just the most obvious facts.

She likes to skim along the surface, not digging too deeply, but is very accepting of existing situations.

Easygoing in her manner, she wants to get along without friction or conflict and avoids challenging situations whenever possible.

Her bubbly, vivacious manner can lead others to believe she is superficial, an 'airhead,' when she is nothing of the kind.

He never digs too deeply into anything, perhaps because he doesn't want to become involved; or, perhaps he is afraid that he lacks the capacity to deal with anything too heavy.

Her relationships tend to stay on the surface, as she never allows anyone to come too close.

With a brittle veneer of sophistication, she would like to think she is fooling the world.
