

UNDERACHIEVER

Synonyms: unassertive, modest, constrained

He is currently an underachiever. However, he is intelligent and bright and it is possible that with some guidance and training he could progress to the next level.

The sad truth is, she is rather lazy. Her potentials are so much greater than what she is currently using.

A propensity for taking the easy way suggests someone who doesn't care to put more effort into developing her abilities.

Every now and again we see bright flashes of intellect that are rapidly covered over with anger and resentment. If he could only let go of the negative emotions that are holding him back, the sky's the limit.

She is too shy to recognize her own capacity for growth. Perhaps she is afraid that by acknowledging her creative talents, too much hard work will be required to develop them.

In order to cope with reality, this writer escapes into a fantasy world where he can accomplish the impossible.
